ADMIRALS COVE MPOA

CONTRACTOR / VENDOR / EMPLOYEE PROPERTY RULES AND REGULATIONS

The following security requirements are in effect at Admirals Cove. Violation of any Rules and Regulations may be grounds for temporary or permanent removal from the property. The Rules and Regulations are subject to change, without prior notification.

1. Access card holders are permitted to enter property via the access card lane, Monday through Friday between the hours of 7:30 am and 5:30 pm: however, they are not permitted to conduct “noisy” work until 8:00 am. Any other access must be granted through the access control security officer. Access cardholders must be off property by 6:00 pm unless permission has been granted for extended working hours by the MPOA.
 2. No outside construction, landscape, or major roof repair work will be permitted on Saturdays and Sundays.
 3. All card holders must keep their Admirals Cove Access Card on them at all times while on the property. The Access Card must be provided to security personnel upon request.
 4. Speed limit on property is 25 miles per hour unless otherwise noted and individuals shall adhere to all stop signs. Violators will be cited.
 5. In the interest of public safety and Member convenience, all parking shall be confined to the residence that individuals are providing a service to. If there is room in the driveway individuals must park their vehicles in the driveway. Any vehicle that is parked on the street with room in the driveway may be subject to a citation. If individuals are forced to park on the street due to lack of space in the driveway, they must park their vehicle in a manner that does not cause a safety concern.
 6. For new construction or major renovation (as decided by the Architectural Design Review Committee in its sole discretion), parking shall be confined only to the subject lot, available street space at the curb bordering the subject lot, or off Admirals Cove property. If a vehicle is parked on the street exceeding the length of two standard vehicles, flagmen will be required to ensure public safety. Furthermore, if construction parking should occur on both sides of any street, Admirals Cove reserves the right to have parked vehicles moved their sole discretion, such parking presents an inconvenience or public safety issue.
 7. No alcoholic beverages, firearms, pets or loud music are permitted on property.
 8. There is NO fishing from any area on property. This includes common areas and/or private property.
 9. Workers are responsible for their own trash removal regardless of owner’s direction.
 10. Appropriate attire, which covers both the upper and lower body and shoes, must be worn at all times.
 11. All vehicles are subject to search while on property.
 12. Violation of any of the above-mentioned Property Rules and Regulations, without the expressed permission from the MPOA, may result in any of the following:
 - ❖ 1ST Violation – Warning
 - ❖ 2nd Violation – Access Card will be confiscated and deactivated with a \$250 reactivation fee.
 - ❖ 3rd Violation – Access Card confiscated and deactivated, additional fines, suspended, or barred from property.
- Any violation that in the judgment of MPOA presents an immediate threat or danger may result in immediate suspension and deactivation.
