

February 25, 2014 "Pool Parking"

Good Afternoon Waterside Members,

This evening, February 25, our neighbors at 406 Mariner Drive will be hosting a Board Retreat at their home on behalf of the University of Maryland Medical Department.

Waterside has agreed to make available our pool parking area to assist their event logistics. Waterside Residents will see an increase in local traffic along Eagle Drive along with several shuttle buses using the pool area parking lot.
