

## April 26, 2013 "Waterside Web Update"

Dear Waterside Residents,

Great news from The Club, The POA and Waterside Board of Directors! Waterside Condominium Association has a website hosted at [www.admiralscovepoa.com](http://www.admiralscovepoa.com). Just click on the rainbow picture and find all of Waterside's Source Documents, Answers to your Frequently Asked Questions, links to the ongoing Dock Project, Pictures of your neighbors at the February BBQ, helpful information to obtain your H06 Condo Insurance Policy, and our annual Budget.

Now, we can link directly to the POA website by going to the familiar Club website. Just go to the Club website at [www.admiralscope.net](http://www.admiralscope.net). If you are a member of the Club, don't log in. Simply look for "About Us" along the top of the visitor's site, and drop down to the last tab for the POA. Presto! You will be linked to the POA website and the rainbow picture. Check out the Dock pictures and let us know what you think."

For those of you who enjoy the salt water pool at The Club; good news at Waterside! This week our pool was updated with the same salt water system. We hope you all will enjoy it's many benefits this summer. Enjoy!
